AUDITOR ROBIN DUDASH NAMED TO PERSONNEL CERTIFICATION HONOR BOARD BY EXEMPLAR GLOBAL

Pittsburgh, PA – October 5, 2016 – Robin Dudash, President, Instructor and Auditor at Innovative Quality Products & Systems, Inc., was recently recognized by personnel certification and credential management organization, Exemplar Global, for continuously holding Exemplar Global certification for over 20 or more years. Robin's name, bio, company website link and LinkedIn profile link appears on Exemplar Global's Personnel Certification Honor Board, located on the organization's website (exemplarglobal.org).

"This is quite an honor," says Dudash. "I have been certified with Exemplar Global since 1996. Being acknowledged by a first-rate certification and credential organization is a recognition I value very much."

2016 continues to be a year of recognition for Dudash. In March, she was named by SRI Quality System Registrar as the #1 Lead Auditor of 2015 for her outstanding work in quality assurance. In July, she was bestowed the 2015 PAR Innovation Bronze Award by the American Society for Quality (ASQ) for her webinar-based education programs.

Robin Dudash is the most credentialed quality assurance professional in the world. She is certified in CQM/OE, CSQE, CRE, CQE, CQA, CCT, ANAB-LA and IATF-LA—and is a Senior Member of ASQ (American Society for Quality) since 1994. Robin is also the ASQ Pittsburgh Section Education Chair and serves on the Industries Committee for the Blind & Vision Rehabilitation Services of Pittsburgh. She holds Bachelor's degrees in Computer Science and Applied Mathematics, and a Master's degree in Business Administration from the University of Pittsburgh.

As a subcontracted Lead Auditor with SRI (Steel Related Industries) since 1997, Robin conducts quality certification and registration audits of TS-16949, ISO 14001, OHSAS 18001, ISO 27001, ISO 20000 and ISO 9001 standards for industrial and software companies in the United States and all around the world. Her areas of primary focus are raw material mining and processing, steel producing and steel processing, foundries, metal stampings, machined parts, powdered metal parts, tool and die, electronics, and software development.

As the President of Innovative Quality Products & Systems, Inc. (otherwise known as IQPS), Dudash provides services to companies desiring to implement or improve the quality of their business management systems, including manufacturing and software development systems. These services consist of ISO consulting, professional training, internal auditing and design services. In addition, Robin manages a suite of online and webinar quality assurance training courses that prepare aspiring QA professionals for various ASQ certification exams. Plus, she instructs the Certified Quality Engineering (CSQE) Prep Course Webinar, which trains aspiring software quality engineers in preparation for the ASQ CSQE exam.
