INNOVATIVE QUALITY PRODUCTS & SYSTEMS, INC. OFFERS ISO 27001/INFORMATION SECURITY CONSULTATION SERVICES

Pittsburgh, PA -- December 13, 2007 -- Innovative Quality Products & Systems, Inc. offers ISO 27001/Information Security Consultation Services. ISO 27001 Consultation Services provides information on the formal standard against which organizations may seek independent certification of their Information Security Management Systems (ISMS). All types of organizations are covered by this Standard, e.g. commercial enterprises, government agencies and non-profit organizations. It specifies the requirements for establishing, implementing, operating, monitoring, reviewing, maintaining and improving a documented ISMS within the context of the organization's overall risk management processes. In addition, it specifies requirements for the implementation of security controls customized to the needs of individual organizations. ISO 27001 provides an ISMS model for adequate and proportionate security controls to protect information assets and give confidence to interested parties. Consultation provided by Robin Dudash, the President of the company. She is a Senior Member of ASQ and certified as a CQManager, CQA, CQE, CRE, CSQE, CCT and IAQB Qualified Auditor for TS-16949.

Robin also has over 22 years of experience in all levels of computing from business mainframes, client server, to real-time process control platforms. She holds a degree in Computer Science and Applied Mathematics and an MBA from the University of Pittsburgh, PA. Through her successful project management, she has led major capital expenditures budgeting in excess of \$2 million. Some of these projects were fully automated control systems and contracted to attain 99.9% system reliability.

ISO Certification Consultation is also available for ISO 9001:2000, ISO 14001 and TS-16949.

Innovative Quality Products & Systems, Inc. also conducts consulting for quality system development, training services, internal quality auditing and gap analysis. For further information or to sign up for a class, contact Robin Dudash at 724-321-5385 or e-mail to info@iqps.net.
